Institutional eligibility criteria:
The funding from the Ministry of Industry, Business and Financial Affairs for this call is under the auspices of the Board of the "Green Development and Demonstration Programme" (GUDP) and is administered by the Danish Veterinary and Food Authority.
GUDP is a funding programme that aims to motivate and promote ambitious, innovative activities focussing on the green transition of the Danish agriculture, fisheries and food sector and therefore shall meet the needs of the respective industries. For further information please consult:
https://gudp.dk/Media/638695185483674053/GUDP-strategi%202023-2027.pdf

Projects are subject to the rules and regulations of GUDP as specified in *Indkaldelse og Vejledning til udfyldelse af GUDP materiale til 3. Call under EU-partnership FutureFoodS* (https://www.gudp.dk/tilskudsguiden/internationale-puljer/soeg-tilskud.

Additional information:
For Danish applicants, the rules of GUDP prevail, but the international application- and budget templates must be used. Only in case of granted funding, a budget scheme including a Gantt chart for the Danish part of the work, participant datasheets and a questionnaire specifying the projects relevance for the Danmark must be submitted.

Applications for funding can be submitted by:
- Large, medium and small-size enterprises (incl. other stakeholders such as independent institutions, private research organizations, and owners, tenants and users of farms)
- Research and other public knowledge institutes
- Technical Service Institutes (GTS) – are classified as companies
- Non-profit organizations

Funding from GUDP cannot be granted directly to foreign institutions or businesses registered outside of Denmark. However, those may participate as an external consultant to a Danish applicant.
